5. Consortia 4 Overview/Presentation-Donna Laird introduced Cindy Silva from the C-IV group. Cindy stated that the group is currently in the planning process. General system design begins in three months. Currently the group is analyzing the current process with a goal to roll out the product in 2-3 years. Cindy wanted to attend the PMC meeting as a way to familiarize herself with the Q%I and how they can integrate it into their system.
6. Q5i Update-Richard Trujillo, Joeana Carpenter, Hector Hernandez
*Version 1.2—Richard stated that the next version will be released at the end of May which will contain a large portion of the items identified in the initial release. SMU staff made a presentation of the new application.
7. CalWORKs Report and Questions-Warren Ghens provided a couple of handouts and a slide Presentation. The handouts were on (1) coding SSI parents and undocumented aliens; (2) self-employment in TANF Data reporting; (3) self-employment and T48 (work participation status).
8. Food Stamps Report and Questions-Michael Bowman-Jones noted that AB 510, an L.A. County demonstration project has been put on hold for at least 2 years. He stated that recently, FNS had requested information on C.E. and under what conditions it is suspended. FNS position is that C.E. is a certification function. Mike noted that ACL 01-24 discusses amendments to PRWORA. Mike is working on a transmittal for release identifying the changes to FS QC.
9. Regional Reports-
10. Data Reconciliation Report- Hector and Richard provided a presentation on the latest findings in The data clean-up. In addition, federal logic edits were discussed. Hector reminded the PMC supervisors that cases would be returned to them by Peggy for clean-up in the future. A handout was provided to all the supervisors.
11. PMC Conference-Donna Laird requested that this item be placed on the agenda. She indicated That is wasn't fair to Daphne and Holly to carry the responsibility for putting the conference Together each year. She proposed and was accepted that a permanent committee be Established to plan the annual conference on a year round basis. Volunteering to serve on the Committee were: Donna, Gerry Greer, Gail Dershewitz, Marietta Jubert, Joann Martinez and

Cindi Potter. Donna also requested that Daphne and Holly be added so that they can provide Their knowledge to the committee. Donna and her planning committee will meet and decide When the next conference will be held.

12. Q5I Reports Workgroup-Richard Trujillo provided an update on the status of his workgroup.
13. Child Only Publication-Frank Andersen stated that this publication and its results had been presented to the DSS executive board. Frank noted that the data for the report comes directly from the Q5I reviews and thanked the PMC supervisors and their staff for capturing the data.
14. Class 600-Warren Ghens provided a handout covering this class and how beginning with the April 2001 reviews it becomes a mandatory part of the review.
15. Food Stamp Corrective Action Report-Leona Pace was present and handed out the latest error rates. Several questions by the PMC supervisors were postponed to the next meeting because the status Of the FY2000 final error rate had not been finalized. Will have new report next month.
